*Invite you to attend the final*

## **COMMUNITY MEETING**

*on the*

## **WORCESTER REGIONAL AIRPORT MASTER PLAN PROJECT**

*Wednesday, December 13, 2006*

*at the*

*Worcester Regional Airport  
Terminal Building (second floor)*

*6:00 – 8:00 PM*

The City of Worcester has been working in cooperation with the above stakeholders to develop a comprehensive Master Plan for Worcester Regional Airport. The Master Plan was fully funded by the FAA and MAC and includes a Land Use Analysis section funded by Massport on the 1,300 acres that comprise the entire Airport facility. This is the third and final community meeting held as part of the planning process. The planning team, consisting of Jacobs Consultancy (formerly Leigh Fisher Associates), the FAA, the MAC, the City and our partners at Massport, will present the final Master Plan report including findings and recommendations for current and future Airport development opportunities.

Please RSVP by Friday, December 8, 2006 to:

Philip J. Niddrie

(508)799-1741
