Worcester FAA Contact Tower LETTER TO AIRMEN NO. 08-1

SUBJECT: Preferred Taxi Routes at Worcester Regional Airport (ORH)

CANCELLATION: This Letter to Airmen supersedes Worcester FCT Letter to Airmen Number 06-1. Worcester FCT Letter to Airmen 08-1 is cancelled on May 13, 2010.

The purpose of this letter is to eliminate runway incursions at the Worcester Regional Airport through user familiarization with the described preferred taxi routes. General Aviation aircraft are expected to depart from the intersections unless otherwise requested of, and approved by Worcester Tower. **Caution:** Be alert to runway crossing clearances. Your readback of all runway holding instructions is required.

Runway 11, Taxi via taxiway Delta, 4000' available.

Runway 15, Taxi via taxiways Bravo and Echo, 4600' available.

Runway 29, Taxi via taxiway Bravo, 6100' available.

Runway 33, Taxi via taxiways Bravo and Alpha, 4300' available.

Please direct any written inquiries or information requests concerning the subject matter of this Letter To Airmen to me or, via telephone (508) 755-6083.
